

Andersen Manufacturing

February 17, 2003

Attn: John Andersen

Dear Mr. Andersen;

To confirm our recent phone conversation:

Your Alumistinger aluminum 10" drop hitch ball mount was tested in accordance with the V-5 1977 and SAE J684 JUN98 standards for a weight rating of 14,000 pounds. The sample tested complied.

For complete details please see our laboratory reports numbers 383-0029.1. The test results contained in this summary pertain only to the samples submitted for testing and not necessarily to all similar products.

Sincerely,

Timothy B. Cox PE
Manager of Product Testing
